Brosch

Clean • Care • Protect

Have you visited our Website?

www.broschdirect.com

Discover features designed to make buying with us quicker and easier, leaving you with valuable time to concentrate on the job at hand.

Improved Search Functionality

Find what you're looking for quickly and easily with our new improved search function. Predictive results as you type means you find what you need in no time.

Order Lists & Reorder Function

Do you regularly order the same items? It's simple and easy to create a bespoke order list on your account, so whenever you go online it's there, ready for checkout! Or, why not try our one click re-order feature, making re-ordering quick and effortless.

Online Bulk Buy Deals

Want to save money and time? Why not buy in bulk? We now have a range of products available online that will save you money when bought in case quantities.

Need Help? FAQs

Need help with using the website, looking for a data sheet or have a product query? Click on our yellow "FAQs" button and you will find all our FAQ's in one easy to find location.

Effortless online account creation

It's quick and easy to set up an account online, if you have already purchased from us we can set this up for you. You can safely and securely store your delivery addresses, review your purchase history, reorder and request returns.

New Way to Pay

We've added more payment options online for your convenience. As well as Sagepay and an online credit account facility, you can now also pay using Paypal.

Product Reviews

Our product review functionality provides genuine customer feedback across our range of products. Unsure if the product is right for you? Check the reviews. Or, would you like to provide a review? Submit these from the relevant product page.

Best Prices Online

Our best prices are available online for a quick and easy, 24/7 checkout. We have also reduced the number of clicks and pages you need to go through to check out, 3 clicks and you're done!

Up to Date Stock Information

Our live stock feed clearly displays when products are available in our warehouse and ready to dispatch, so that you receive 100% of your order the very next day.

Live Chat

Live Chat has always been an essential tool for our online customers. With our new and improved Live Chat system, we can assist you with all queries at the click of a button.
