### Product Description

Abri-Soft Classic is used as a protective, disposable underpad for e.g. beds and chairs. Suitable for incontinent users, but also for non-sterile procedures. The underpad has sealed edges for optimum leak protection. The surface is covered with a soft non-woven material for enhanced user comfort. The use of disposable underpads reduces the risk of contamination. Abri-Soft Classic offers moderate absorbency and is available in different sizes.
